TESTIMONIALS

Olam

Sebastian and his team handled the photography and videography requirements for my company events very professionally.
They are responsive and attentive to the needs of their clients and I value his suggestions and perspective which are very refreshing

- Jenny Ng, Olam

EMBASSY OF DENMARK

Sebastian and his team is a trustworthy, diplomatic and professionally skilled Photographer whom we have hired for numerous corporate events.
The photos have always turned out to be great, and we have never been dissatisfied with Sebastian's assistance.
He takes a proactive and creative approach to his work with a focus on customer satisfaction.

Lisbet Andersen, Communications Partner at Nykredit (previously Head of Events and Communication at the Royal Danish Embassy, Singapore)

TESTIMONIALS

EDC

1MediaConcepts (formerly Retouched Photography) has been and continue to be a fantastic photography and video company for us.
We were introduced by the Canadian High Commission who also highly spoke of their services, no doubt they have built a grand reputation in Singapore.
1MediaConcepts helped us producing memorable photos, videos, as well as gif during our launch of our Singapore office in 2017 as well as our annual spring events thereafter.

Sebastian and his team bring enormous amount of positive energy, can-do attitudes, and a professional approach not only to their clients and our guests but to his team alike.
One of my executive describes working with Sebastian as follows "Sebastian is a pleasure to work with – very professional and warm and engaging at all times."

Sebastian takes the time to develop strong relationships with our team to ensure a thorough understanding of our needs in order to deliver a targeted agenda and mission in optimizing time of various moments. He and his team also demonstrates strong customer relationship that displays the level of trust and respect to his clients.
This is all credit to 1 MediaConcepts/Sebastian's open and honest communication which is centered on a deep understanding of their clients' needs.
The results of his photography, videos as well as other creative concepts are very sharp and captured incredible moments that can tell stories with his pictures.
He and his team bring images to the next level!

I would like to recognize and give abundant positive feedback to Sebastian and his team at 1MediaConcepts on their engagement and pleasant working experience with them.
I would like to recommend their services to anyone requiring high quality photography and video services.
Thank you 1MediaConcepts!

Sincerely,
Cindy Bintang
Regional Coordinator
Export Development Canada
