

CCECC Singapore Pte Ltd

CCECC Singapore Pte Ltd

COMPANY PROFILE

Committed to our customers and projects, CCECC Singapore Pte Ltd strives to provide satisfactory services to our clients.

COMPANY PROFILE

CCECC Singapore Pte Ltd was founded in the year 1999. Through decades of hard working, we have grown up into a small-medium local construction company with registered with the Building and Construction Authority ("BCA") under the new financial grade A2 for both general building (CW01) and civil engineering (CW02). Contractor registered with B1 grade are qualified to tender for public sector contracts of \$40,000,000.

We are specialized in steel structure installation and having strong team of skilled workers.

For past over two decades, the company has undertaken and completed major government's projects, for example, awarded by Land Transport Authority, Jurong Town Corporation, Housing & Development Board, Building and Construction Authority, Public Utility Board, Pasir Ris-Punggol Town Council, West Coast Town Council, Tanjong-Pagar Town Council. Besides above, we also undertake permanent steel structure and temporary steel strutting works. Our major main contractor includes Samwoh Corporation Pte Ltd, Lum Chang Building Contractors Pte Ltd, Penta-Ocean Construction Co. Ltd, Sim Lian Construction Co. (Pte) Ltd, Yong Nam Engineering & Construction Pte Ltd, China Construction (South Pacific) Development Co. Pte Ltd, Samsung C&T Corporation, TTJ Design & Engineering Pte Ltd.

In 2006, CCECC Singapore Pte Ltd achieved Quality Management System/Management System Certification ISO 9001:2008 and The Management System Certification OHSAS 18001:2007.

In 2010, CCECC Singapore Pte Ltd achieved BizSafe Star level.

In 2011, CCECC Singapore Pte Ltd achieved the Environmental Management System Certification ISO 14001:2004.

In 2012, CCECC Singapore Pte Ltd obtained BCA Green Mark Award 2012 – New Non-Residential Buildings-Platinum –Training Block At BCA Academy (Main Contractor)

In 2014, CCECC Singapore Pte Ltd obtained MOM approved scaffold contractor and formed own scaffold team.

In 2015, CCECC Singapore Pte Ltd obtained LTA Annual Safety Award.

In 2016, CCECC Singapore Pte Ltd obtained BCA Gold Award for Construction Productivity Awards Projects 2016 (Main Contractor).

Our policy is Quality First, Customer First, Reputation First, Service First and Safety First. We commit ourselves to our customers that we will always provide our best service to them.
