

Be a part of a team that shares a passion for innovation and technology, here in Singapore!

Whether you can join us as an intern or a full-time employee, you can be assured that we will provide you with opportunities to develop your professional skills as well as your personal qualities.

Here at Thales, we pride ourselves on giving everyone the support and responsibility they need to fully explore their potential by making the most of what we have to offer.

As we continue to grow and innovate, we need the best talent capable of driving our success in the years to come. If you've got what it takes, head on to our Careers website and discover how your career can take off with Thales, today!

We are primarily involved in:

- **Aerospace** (including Air Traffic Management) - recognised as a key partner for Aerospace solutions
- **Defence & Security** - dedicated partner in keeping Singapore safe and secure
- **Ground Transportation** - market leader in ticketing, communication and signalling
- **Digital Identity & Security** - with an unrivalled portfolio
- **Research & Technology** - strong heritage and collaboration with the local ecosystem.
