

BRAEMAR

BRAEMAR ACM
SHIPBROKING

Singapore Office:
80 Robinson Road
#24-01/02
Singapore, 068898

COMPANY SNAPSHOT

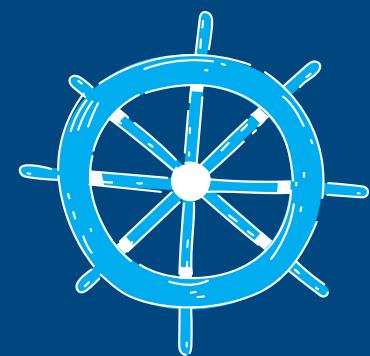

One of the world's largest shipbroking companies with offices in the UK, USA, Australia, China, Dubai, Singapore, Brazil and India, and around 300 employees worldwide.

Formed in 2014 following merger of Braemar Shipping Services PLC and ACM Shipping Group PLC.

Braemar's shipbroking arm was formed in 2001 following the merger of Braemar (established 1983) and Seascope (established 1972).

Member of The Baltic Exchange, Institute of Chartered Shipbrokers, the London Tanker Brokers' Panel, Worldscale Association, BIMCO, Intertanko. Regulated panellist for Freight Indices published by the SGX owned Baltic Exchange and used as the underlining for the Trade of Freight Derivatives (FFAs).

FOUR DIVISIONS

Shipbroking

Braemar ACM Shipbroking is one of the largest chartering and sale and purchase shipbroking companies in the world. Formed following the merger of Braemar Shipping Services Plc with ACM Shipping Group Plc, Braemar ACM Shipbroking offers unrivalled coverage and expertise across all major commercial shipping sectors.

Engineering

Braemar's engineering division provides expert engineering and technical advisory services related to facilities and ships, to the oil, gas and shipping industries.

Logistics

Cory Brothers offers worldwide services for Port Agency, Liner and Logistics through a network of offices and trusted partners, providing safe, reliable and timely transport at any time, anywhere in the world.

Our divisions work together to offer a unique combination of skills for clients, at any time, anywhere in the world.

Financial Services

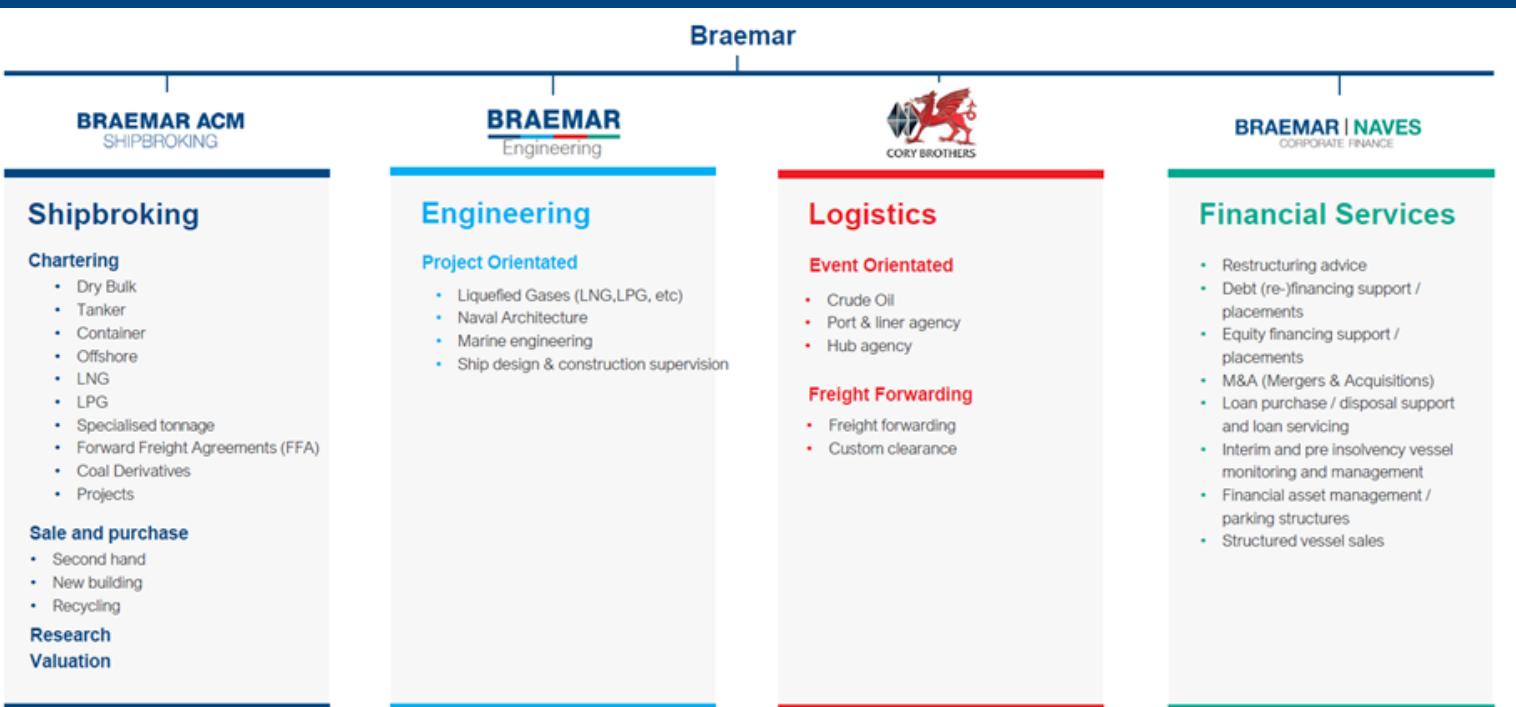

Braemar Naves, founded 2009 as a response to the global financial and shipping crisis, has established itself as a leading corporate finance advisor in the maritime sector. Today, serving as Braemar's financial division, Braemar Naves provides a wide range of specialised corporate finance services to its clients around the globe.

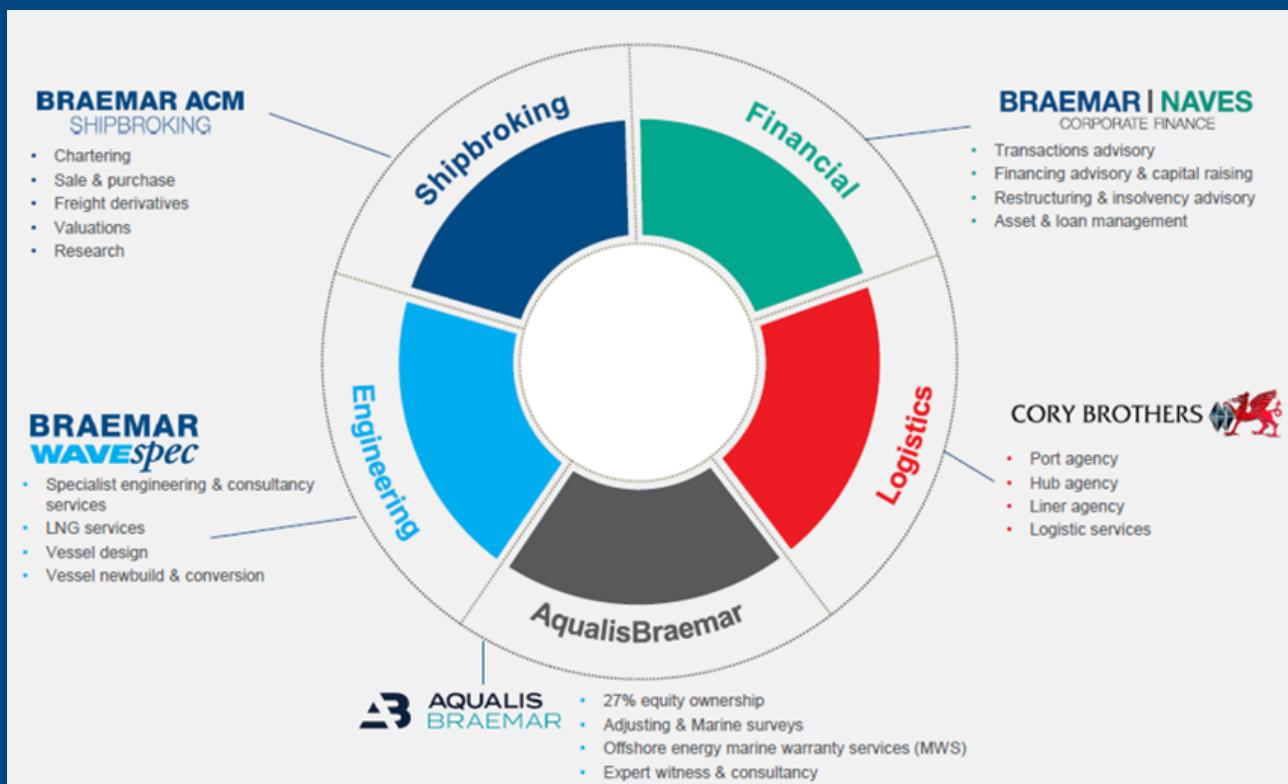

ABOUT US

Braemar is a leading international provider of knowledge and skill-based services to the shipping, marine, and energy industries. The Group comprises four operating divisions, Shipbroking, Financial, Engineering and Logistics. These work together to offer a unique combination of skills for clients, at anytime, anywhere in the world.

Braemar's 4 Divisions at a Glance

Group Structure: Four Wholly Owned Divisions and One Associate

Business Model

Our business model is based on the provision of knowledge and technical skills for our client's benefit.

Core Values

People - Our people are the most important part of our business and the key to our success.

Culture - We provide a culture that embodies excellence, inspires, motivates and provides the vehicle to excel at all levels.

Clients - We are innovators, continually focused on quality, cost and providing services that meet our clients' needs.

Integrity - We work with integrity and pride. We do the right thing at the right time.

Risk - We understand risk and seek to manage it for the betterment of our group and our clients.

Environment - We care about the environment and take steps to reduce our impact and that of our contractors.

Safety - We care about the safety of our people, of our contractors and of our clients

Group Structure: Divisional Heads

James Gundy
CEO
Braemar ACM Shipbroking Ltd
CEO of Braemar Shipbroking division. James started his career at Clarksons in 1981, working in London and New York in dry cargo and then tanker broking. He joined ACM Shipping in 1991, and became CEO in 2012 and following ACM's merger with Braemar in 2014, he became CEO of the combined shipbroking business. James is a member of the Braemar Executive Committee.
